Mountain accessible to all!

First visitors and history...

The Chamonix valley is situated in the north-westerly part of the Alps, just 15 km from the Swiss border and 15 km from Italy via the Mont-Blanc tunnel.

When two young English aristocrats, William Windham et Richard Pocock, discover the Priory of Chamouni 1741, they have no idea that the recital of their visit to this small mountain village and its glaciers, will have an impact on the whole of Europe.

The conquest of mont Blanc in 1786 by Jacques Balmat and Michel Gabriel Paccard, contributes to the demystification of the summits and seals the destiny of this mountain community. The first Winter Olympic games were hosted by Chamonix in 1924 and consecrated the valley as a winter Mecca, with an important number of lifts being built in the ensuing years.

Chamonix, a mountain town of a thousand facets

A charming little town nestled at the foot of the most famous mountain in the Alps, Chamonix welcomes visitors from around the world year round. In the center of town, wherever you are look up and you'll see 'it' there... 4,810 metres (15,781 ft) of rock, snow, ice and dreams of things to come. Summer or Winter, the valley is popular with lovers of mountaineering and mountain sports in general, but offers with its diversity of villages and its natural assets, various activities directed to a broad type of audience. From the family to the adventurer and lover of relaxation in curious eager for discoveries and new experiences.

Organize your event in Chamonix Mont-Blanc

In winter: the pleasure of skiing at the foot of Mont Blanc!

The Chamonix ski area is divided in 4 parts : Les Grands Montets, Brévent/Flégère, Domaine de Balme et Les Houches.

It offers a multitude of slopes for all levels, each ski area having its own merit. Tremendously long slopes, skiing through the trees, freeride and off-piste, beginners slopes : an infinite number of possibilities for snowriders and mountain lovers alike.

- ✓ 410 kms of slopes
- ✓ 53 000 m of vertical drop
- ✓ 124 lifts

In summer: Sports or Relaxing activities !

In the summer you can take part in many sports activities in the midst of spectacular landscapes:
