CHÂTEL LIBERTÉ, a single large ski area

Châtel / La Chapelle d'Abondance / Torgon / Morgins (Corbeau sector)

The Châtel Liberté ski pass gives you access to 63 ski lifts and 81 pistes.

It is valid throughout the ski areas of Châtel, La Chapelle d'Abondance, the Swiss resort of Torgon and the Corbeau sector of the Swiss resort of Morgins.

LES PORTES DU SOLEIL

An international reputation
and wide open spaces.

Twelve ski resorts have joined forces to offer the very best in skiing! 300km of pistes and nearly 197 ski lifts.

Châtel is directly connected with the ski resorts on the French side: Avoriaz, Morzine, Les Gets, Saint Jean d'Aulps, Montriond, Abondance and La Chapelle d'Abondance; and on the Swiss side: Morgins, Torgon, Champoussin-Les Crosets and Champéry. The links between the ski areas are due to open on 22 December 2018. The links are due to close on 22 April 2019 (weather permitting).

OPENING DATES

The Châtel ski area will open partially on 15 December 2018 (Linga/Pré-la-Joux sector).

From 22 December 2018, all of the ski area will be open to skiers.

INTER-SECTOR links

Super-Châtel and Linga
The 6-seater Portes du Soleil and 4-seater Gabelou detachable chairlifts connect the Super-Châtel and Le Linga ski areas.

They both start from Vonnes, near Morgins on the Swiss border, taking pressure off the shuttle service and reducing car usage.

The link makes getting around faster and more practical, enabling skiers of all abilities to get even more out of the two sectors of the Châtel Liberté ski area.

NEW

The Pierre Longue chairlift has been replaced by a 6-seater detachable lift with user-friendly loading.

A QUALITY ski area

Snowmaking facilities

Blues, red, blacks or greens... pistes of every colour and for every taste!

The quality of our ski area is dependent not just on falls of natural snow but also on the skill and professionalism of our snowmakers and piste-groomer operators, who work hard to optimise the snow cover. To guarantee premium skiing conditions all winter long, our network of 300 snowmakers covers nearly 40% of the pistes in the Châtel Liberté ski area.

A skilfully maintained landscape

Scrub clearance, natural soil improvement and revegetation are carried out in close collaboration with local farmers, who are the custodians of our countryside. The quality of the pastures dictates the quality of the milk... and the quality of the pistes.

Keeping it clean...

The resort of Châtel has signed the sustainable development charter, and this means concrete initiatives on the ground: selective waste sorting, burying utilities networks, using low-consumption (LED) public lighting, providing free bus services, running cleaner grooming machines, protecting springs and also providing waste bins around the ski area and even ash trays at the bottom of chairlifts. What's more, Châtel has 'Flocon Vert' certification, awarded by the Mountain Riders Association to mountain resorts that ensure their procedures are eco-friendly.

ISO 9001, 14001 and OHSAS 18001 certification

The way the ski area is managed has to be exemplary in a number of ways.

An active environmental protection policy (efficient use of energy and water resources, waste sorting, etc.), paying particular attention to customer satisfaction and making continual efforts to improve the services and facilities offered to users of the ski area. Quality service is not possible without an effective team working behind the scenes! It is in this context that the ski lift company SAEM is certified OHSAS 18001, guaranteeing safe and healthy working conditions for the resort staff. Together, we are all working towards achieving excellence.

Floodlit skiing

The Milka purple piste, a treat for the eyes...

One of the best experiences of childhood is getting to grips with nature. And we're all still children at heart! Especially when skiing the Milka purple piste, which features a fun presentation of the Alpine fauna. You just have to get off the beaten track a little to get up close to the wildlife here, explained in a series of informative boards and very lifelike animal figures! And why not enjoy a chocolate treat too?

Fun zone

Come and check out this zone, which is about 250m long, cordoned off and secured with nets. This is where to come, either with a professional ski instructor or on your own, to measure just how fast you can ski (there's a timing device and electronic speed display), but also and above all to learn to control your braking distance. Located near the Bellevue blue piste in the Super-Châtel/Chalet Neuf sector, the objective of this fun and educational area is to raise awareness among lovers of all kinds of snowsports of the importance of controlling speed and its effect on the seriousness of accidents.

INSURANCE

Snowrisk assurances

From € 3/day: full cover for an accident on the piste and even off-piste. No more unpleasant surprises...

At the top of the Rochassons chairlift, participants in this amazing adventure take off their ski equipment, strap in and zoom off on cable No. 1, 'flying' over the village of Plaine-Dranse 140 metres up in the air! You speed along this giant zip wire (1,200 metres of cable) at speeds approaching 100km/h! Thrills guaranteed! At the finish, your ski equipment is returned to you (it arrives there the same way you do, in a special bag).

NEW TRENDS, new snowsports

Full-on après-ski fun

Airboarding: whizz down the slope stretched out on an inflatable bodyboard. You'll need a helmet, because this will blow your mind!
Or the Snakegliss... all aboard on a string of little sleds joined together like railway carriages as you snake down the slope. The instructor is in control and guides the descent, choosing your trajectory and keeping the turns coming - it's hilarious fun!
Or how about the Yooner? This consists of a seat, a shock-absorber and a ski. You don't have to lift up your feet, just keep them on the ground as you slide down! Give it a go!
Or maybe try something new: the Snowracer is a go-kart for the snow, with a seat, a steering wheel, three skis and a brake. For guaranteed thrills!

An easy OFF-PISTE ROUTE

Accompanied by a mountain professional.

First tracks with a wilderness feel: together with a mountain professional, explore La Leiche, an easy and accessible off-piste route; this side valley is near the ski lifts and has a reputation for a great location and great snow. A fantastic opportunity to take on the slopes.

Great FOR BEGINNERS

Skiing for people of all abilities, regardless of how fit or what age you are!

The Portes du Soleil has introduced an innovative new product designed specifically for adults who have never put on skis in their life. It would be such a shame and so frustrating for them to hear their friends talking about their ski holiday, the deep, crisp snow and the amazing views they've seen.

'You can ski': the easy way to get started!

This exclusive offer includes everything (ski pass + ski lessons + equipment) and was designed for adult beginners. Flexible and progressive: choice of a 6-consecutive-day package or a 3-day package. It also includes tailored tuition and a special learners' ski area (with beginner-only pistes), where beginners don't stay for long!

SKI LIFTS for pedestrians

In Châtel, some of the ski lifts are open to pedestrians.

Tickets for pedestrians are on sale at the ski lift ticket offices and can be used on 4 lifts: Petit-Châtel, Pierre Longue and Portes du Soleil chairlifts and Super-Châtel gondola.

RESORT tax

In Châtel, visitor tax is levied on the number of nights booked, to reflect actual visitor numbers, as in more than 90% of winter sports and summer resorts.

Resort tax is collected directly from the holiday-maker by the accommodation provider, who repays this tax to the local council.

And don't forget: the tax revenue generated is spent on all the tourism-related initiatives.

Under 18s are exempt.

L'Éterlou

This is a fun educational trail on the subject of the environment and the animal and plant life in our mountains. Follow this looped trail, situated in Pré-la-Joux next to the sledging runs, and a dozen panels will guide you around, helping all the family to answer a variety of questions.

THE OLD CUSTOMS HOUSE

Mountain Smuggling Interpretation Centre.

Open the door of Châtel's Old Customs House to discover a different side to this cross-border region.

Children and adults will enjoy a fascinating trip back in time, learning about the game of cat and mouse that went on between the smugglers and the customs officers (known as 'gabelous') in the mountains of the Portes du Soleil before the advent of winter sports. With lots of eye-witness accounts and a fascinating exhibition packed with documents and illustrations, the Old Customs House tells the story of a picturesque world full of surprises!

Temporary exhibition:

"Châtel since 1947: celebrating 70 years of the resort". In the 1940s most of the smugglers operating in the area gave up their life of crime and took up a more respectable profession, working in the booming tourist industry. And in winter 1947/1948 Châtel opened its first ski lift. What a long way we have come since then!

Opening times

OXFAM WINTERTRAIL
60KM | EQUIPES DE 4 | 30H

COMMUNAUTÉ DE COMMUNES
PAYS D'ÉVIAN
VALLÉE D'ABONDANCE

On 2 and 3 February 2019, in Châtel and the Abondance Valley, experience an event you'll find nowhere else in the world: a charity walk on snowshoes!

This event, organised in partnership with the Abondance Valley Community of Communes, is to raise funds for Oxfam, a charity that works to alleviate poverty all over the world. Around 400 people are expected to take part, on the mountainside above the valley. In teams of four, they will take on a 60-kilometre snowshoe hike lasting all day and all night, completing the course in less than 30 hours. Come and join in the energetic, fun and sociable atmosphere! Why not take part in the challenge or support your favourite team?

HERITAGE

Châtel's other treasures

Enjoy an amazing and welcoming visit to the Crépy Sawmill at Villapeyron and the beautifully restored Chapelle de Très-les-Pierres, plus the many other chapels, oratories and shrines you will come across on your walks. These buildings are featured on the Châtel heritage map (available from Châtel Tourisme and the Old Customs House) and in the illustrated book *Châtel, sur les pas des Pionniers* by Dr Dresco.
