New

ELECTRIC FATBIKE MAKES ITS ENTRANCE!

This summer, Thibaut Legastelois will offer an introduction to electrically assisted Fatbiking on the dedicated tracks of Châtel and the Portes du Soleil.

He will also teach Mountain Biking, Downhill Mountain biking and any other Enduro biking activity cyclists wish to try!

Thibaut is an experienced and multitalented rider. He has been a member of the National Syndicate of French Cycle Instructors for the last 8 years. He has participated in many top events between 2001 and 2013; French Junior XCO champion 2001, Junior World Champion XCO 2001, French Cup XCO 2005, Transvésubienne 2008, Val Thorens World Cup XC Marathon 2006, Mountain of Hell 2009 and 2011, the Alpe d'Huez Mégavalanche 2008 and 2013 and the d'Allos Enduro World Series in 2013...

Beginners and experienced mountain bikers and enduro or downhill riders, can all indulge their passion. 4 companies offer lessons and/or guided rides. There are also 6 MTB or electric MTB rental shops in the resort.

Electrically assisted mountain bikes make scaling the mountains a lot easier! There are 3 routes in Châtel: The Pré-la-Joux circuit, the Itinéraire Super-Châtel to Morgins (Switzerland) and the Itinéraire Super-Châtel to the Col du Saix. Additionally there are 4 altitude battery recharging points.

The Mountain Biking season kicks off with the Passportes du Soleil MTB and the MTB exhibition in Les Gets from the 23rd to 25th June. This is followed by Châtel's MTB event, **The Reboul Jam**, organised in collaboration with our partner Team Scott. A Freestyle MTB event, it takes place at Pré-la-Joux below the bike-park from 27th to 30th July. The event promises riding demonstrations from professional riders, concerts, fun and entertainment!

ROAD BIKING

During the summer Châtel, la Vallée d'Abondance and the Portes du Soleil welcome a large number of cyclists to their road network, with routes of varying difficulty depending on the terrain.

THE RESORT HAS A RICH HISTORY OF ROAD BIKING HAVING HOSTED LARGE LOCAL, REGIONAL, NATIONAL AND INTERNATIONAL EVENTS.

The current project is to be a Ville-étape on the Tour de France as in 1975. Since then the tour has passed through the village during the 80s and 90s and in the last 10 years Châtel has been part of the caravan on a stage.

Locally the village organises events such as the **Montée de Bassachaux** which brings together renowned and enthusiastic cyclists (such as Jeannie Longo and her husband in 2015). This year the "Montée de Bassachaux" will form part of the "**Châtel Grand Prix**" taking place on the same date: Sunday 23rd July.

The Montée de Bassachaux race is equipped with a **TIMTOO timing system** consisting of a series of markers, positioned over the course, which are triggered by an electronically emitted pulse or specific smartphone application. This enables riders to calculate their time and then find their overall position on the internet. Electronic chips are available for rent.

TOP ATHLETES CHOSE CHÂTEL FOR THEIR OXYGEN TRAINING DURING THE SPRING AND SUMMER.

This is true of team **SKY** whose riders are often seen on the roads in and around the village. In addition, a special stage the **AG2R LA MONDIALE** event will be held from the 20th to 23rd July. Supervised by a Mondiale coach, riders will take part in endurance rides and two themed rides per day and end their stay on the mountain slopes cheering on the Châtel Grand Prix riders.

> Further information in the "Summer Offers" section.

TRAIL RUNNING

TRAIL RUNNING OFFERS A BREATH OF FRESH AIR, AT A FASTER PACE THAN HIKING!

Although a sport in its own right, it is also used to train for other top level sports such as ski touring.

Since last summer the resort has been equipped with a site well-adapted to high-octane outdoor sports: running, cross fit and trail running at Tenne/Barbossine/Super-Châtel. There are two marked circuits: a VITA circuit and a 10km "Trail" circuit with a positive height difference of nearly 700m!

NEW: "PORTES DU SOLEIL TRAIL RUNNING"

From this summer Châtel's facilities are linked to those of the Portes du Soleil. In total there are 48 circuits, 400km of paths of 5 different levels: 15 green routes, 14 blue routes, 12 red routes (of which 3 are 'vertical kilometre' routes), 7 black routes (of which 4 are "Skyrun" routes - with sections over 2,000m altitude) in 3 areas including the Abondance valley.

Châtel now has 4 circuits:

- > **Trail du Tenne**, beginners course, distance: 6.6km, estimated duration: 1h.
- > **Tête des Lindarets et Bassachaux**, proficient runners, distance: 14.8km, estimated duration: 2h.
- > **Tour du Massif du Corbeau**, beginners course, distance: 7.8km, estimated duration: 1h30.
- > **Skyrun Challenge des 4 D**, expert runners, distance: 14.1km, estimated duration: 5h.

The **Portes du Soleil Multi Pass** gives access to the start of the routes on any of the 23 pedestrian lifts open during the summer.

The "**Trail Running Portes du Soleil**" app enables runners to follow the route via GPS, get live web-cam weather updates and track and transmit exact locations to rescue services if needed.

THE TRAIL DES CRÊTES DU CHABLAIS

On **Sunday 18th June**, the Abondance Valley will host the Trail des Crêtes du Chablais event for the fourth consecutive year. There are 3 circuits (18km, 42km and 70km) and 4 races (one on each circuit and a relay race in teams of two competitors). The staggered start of each race will leave from Châtel centre. Large numbers of participants are expected as the popularity of this event continues to grow...

TWO LABELS

FAMILLE PLUS

CHÂTEL HAS HELD THE 'FAMILLE PLUS' ACCREDITATION FOR 11 YEARS GUARANTEEING FAMILIES A PERSONAL WELCOME WITH ITS EXTENSIVE CHOICE OF FAMILY ORIENTATED INFRASTRUCTURE, ACTIVITIES AND EVENTS.

From the outset Châtel's philosophy has been that the balance between holiday resort and village is never lost through tourism development.

There are numerous activities offered to ensure families enjoy precious time together including the celebrated 35-year old tradition of **afternoon tea at an alpine farm**. Visitors can see the beautiful Abondance cattle (also known as "Cows with Glasses", due to the large brown marks around their eyes) as well as other farm animals.

The tea is comprised of delicious local products such as home-made Abondance cheese (AOP) used to prepare Berthoud, local charcuterie, Savoie cake and delicious toasts...

Interesting exchanges take place between farmers and holidaymakers as they discuss winter life in the village and summer life in the mountain pastures. The cows go up to the summer pastures in the spring and return to the valley in autumn. There will be a fete celebrating the return to the summer pastures on 3rd June with the family of Michel CRUZ. He and his herd will pass through the village before heading up to the Mouet pastures. A charming and interesting occasion for the whole family.

Both young and old will enjoy **the fun Rivari path**, named after the Châtel mascot. Located in Super-Châtel, it is dotted with little workshops where children can learn about wildlife as they solve the 6 riddles along the route.

Children of all ages will love **the playground** at Vannes Lake. There is also a lovely path around the lake that is perfect for walking, cycling or pushchairs...

The little tourist train provides a relaxing way to visit the village. Sit back and enjoy the beautiful chalets, farms and different views and perspectives of the village. The train is included in the Multi Pass.

VILLES
& PAYS
D'ART &
D'HISTOIRE
DIRE

PAYS D'ART ET D'HISTOIRE

THE ABONDANCE VALLEY HOLDS THE PAYS D'ART ET D'HISTOIRE ACCREDITATION AND INCLUDES 6 VILLAGES OF WHICH THREE ARE HOLIDAY RESORTS.

Châtel is one of these and was granted this national accreditation in 2003 in recognition of the quality of its architectural and heritage sites and the diverse choice of guided activities and visits available.

In Châtel, **La Vieille Douane**, the mountain contraband information centre and a Multi Pass partner, traces the history of Franco-Swiss mountain contraband. The temporary exhibition "Custom Officers in the snow" will be open until spring 2018.

Other interesting cultural sites are **the Crépy saw mill**, currently under restoration, **the Très-les-Pierres chapel** restored between 2011 and 2013 and numerous other interesting chapels and shrines in the area.

The activity and event programme lists all the family-centred activities available (e.g. age-specific workshops for children) over a given period and a Pictogram gives a quick overview of the choices. A specific family guide, updated each year, listing family-friendly activities is available at the reception desk in Châtel tourist office. With all this information it's easy to choose activities for any age group. There are over 60 sporting activities on offer to the public in Châtel each week. **This year a brand new, family centred festival will take place from the 7th to 11th August – "Châtel returns to its childhood" full of fun and surprises...!**

There are two daytime children's clubs; **La Garderie Les Mouflets** and **Le Club des Petits Montagnards** which complement each other perfectly. **Les Mouflets** takes children from 2.5mths to 4-years old all through the year and the **Petits Montagnards** takes children from 4-years to 14-years during school holidays.
