The Châtel ski pass gives you access to 54 ski lifts and 64 pistes.

It is therefore valid throughout the Swiss resort of Torgon, in the Corbeau sector of the Swiss resort of Morgins and Braitaz sector of La Chapelle d'Abondance (including the Panthiaz gondola lift).

OPENING DATES

The Châtel ski area will be open
from **10 December 2016 to 23 April 2017.**

the link

SUPER-CHÂTEL AND LINGA

The Portes du Soleil and Gabelou detachable chairlifts (a 6-seater and a 4-seater) now connect the Super-Châtel sector with Le Linga.

They both start from Vannes, near Morgins on the Swiss border, taking pressure off the shuttle service and reducing car usage.

And the icing on the cake: the lifts serve brand new pistes that are really worth checking out!

This faster and more practical link enables skiers to get even more out of the fabulous Portes du Soleil ski area, whatever their level.

THE PORTES DU SOLEIL

DO YOU PREFER AN INTERNATIONAL REPUTATION AND A HUGE AMOUNT OF SPACE?

Twelve ski resorts have joined forces to offer the very best in skiing! 293 km of pistes and nearly 200 ski lifts.

Châtel is directly connected with the ski resorts on the French side: Avoriaz, Morzine, Les Gets, Saint Jean d'Aulps, Montriond, Abondance and La Chapelle d'Abondance; and on the Swiss side: Morgins, Torgon, Champoussin-Les Crosets and Champéry.

A QUALITY SKI AREA

SNOWMAKING FACILITIES

Blues, red, blacks or greens... pistes of every colour and for every taste!

The quality of our ski area is dependent not just on falls of natural snow but also on the skill and professionalism of our snowmakers and piste-groomer operators, who work hard to optimise the snow cover.

To guarantee the very best skiing throughout the winter, we are continuing to expand our network of snowmakers. In winter 2011 we added a high-altitude storage reservoir holding 130,000 m³ of water.

A skilfully maintained landscape

Scrub clearance, natural soil improvement and revegetation are carried out in close collaboration with local farmers, who are the custodians of our countryside. The quality of the pastures dictates the quality of the milk... and the quality of the pistes.

Keeping it clean...

The resort of Châtel has signed the sustainable development charter, and this means concrete initiatives on the ground: selective waste sorting, burying utilities networks, using low-consumption (LED) public lighting, providing free bus services, running cleaner grooming machines, protecting springs and also providing waste bins around the ski area and even ash trays at the bottom of chairlifts. What's more, Châtel recently achieved 'Flocon Vert' certification, awarded by the Mountain Riders Association to mountain resorts that ensure their procedures are eco-friendly.

ISO 9001, 14001 AND OHSAS 18001 CERTIFICATION

The way the ski area is managed has to be exemplary in a number of ways. These include an active environmental policy (efficient use of energy and water resources, waste sorting, etc.), paying particular attention to customer satisfaction and making continual efforts to improve the services and facilities offered to users of the ski area. In 2016, we reached the next level by obtaining OHSAS 18001 certification by introducing a new health and safety at work management scheme.

AROUND THE SKI AREA

FLOODLIT SKIING

Want to prolong your day by skiing under the stars?

Come to the Linga stadium floodlit day evenings between 7.30 and 9.30pm.

Make it a date: it's original, fun and what's more it's free!

THE MILKA PURPLE PISTE, A TREAT FOR THE EYES...

One of the best experiences of childhood is getting to grips with nature. And we're all still children at heart!

Especially when skiing the Milka purple piste, which features a fun presentation of the Alpine fauna.

You just have to get off the beaten track a little to get up close to the wildlife here, explained in a series of informative boards and very lifelike animal figures! And why not enjoy a chocolate treat too?

FUN ZONE

Come and check out this zone, which is about 250 m long, cordoned off and secured with nets.

This is where to come, either with a professional ski instructor or on your own, to measure just how fast you can ski (there's a timing device and electronic speed display), but also and above all to learn to control your braking distance.

Located near the Bellevue blue piste in the Super-Châtel/Chalet Neuf sector, the objective of this fun and educational area is to raise awareness among lovers of all kinds of snowsports of the importance of controlling speed and its effect on the seriousness of accidents.

THE SMOOTH PARK

More features, more riding, more fun!

In the Smoothpark, rails, kickers, slide boxes, hips, boardercross and more await both beginner and experienced freestylers! There are features suitable for all abilities, enabling you to progress and improve in a fun and friendly snowsports zone (sound system, BBQ, contests and more!)

Awesome: film your exploits on the 'Live Park' video system and share them on the web with your friends!

DVA PARK

Check out the DVA Park, near La Chanterelle piste in the Super-Châtel sector!

This workshop, run by members of the piste patrol, uses demonstrations as a fun way to teach you how to use an avalanche transceiver (what we call a DVA), and also gives you the chance to try out your own equipment if you have it.

The area is open for independent use at any time.

For more information or a demonstration, contact the piste department on +33 (0)4 50 73 35 99 to make an appointment with the piste patrol.

SNOWSPORTS SCHOOLS

HAVING LESSONS IS THE WAY TO ENSURE YOU'LL ENJOY YOUR SKIING TO THE FULL.

To make skiing easier and help you enjoy it even more, Châtel's ski schools use patient and effective teaching methods. They can offer whatever you need, looking after both beginners and skiers keen to perfect their skills. They'll accompany as you progress and come to love the snow.

FULL-ON APRÈS-SKI FUN

Airboarding: whizz down the slope stretched out on an inflatable bodyboard. You'll need a helmet, because this will blow your mind!

Or the Snake Gliss... all aboard on a string of little sleds joined together like railway carriages as you snake down the slope. The instructor is in control and guides the descent, choosing your trajectory and keeping the turns coming - it's hilarious fun!

Or how about the yooner? This consists of a seat, a shock-absorber and a ski. You don't have to lift up your feet, just keep them on the ground as you slide down! Give it a go!

Or maybe try something new: the Snowracer is a go-kart for the snow, with a seat, a steering wheel, three skis and a brake, for guaranteed thrills!

AN EASY OFF-PISTE ROUTE

ACCOMPANIED BY A MOUNTAIN PROFESSIONAL

First tracks with a wilderness feel: together with a mountain professional, explore La Leiche, an easy and accessible off-piste route; this side valley is near the ski lifts and has a reputation for a great location and great snow. A fantastic opportunity to take on the slopes.

GREAT FOR BEGINNERS

SKIING FOR PEOPLE OF ALL ABILITIES, REGARDLESS OF HOW FIT OR WHAT AGE YOU ARE!

The Portes du Soleil has introduced an innovative new product designed specifically for adults who have never put on skis in their life. It would be such a shame and so frustrating for them to hear their friends talking about their ski holiday, the deep, crisp snow and the amazing views they've seen.

'You can ski': the easy way to get started!

This exclusive offer includes everything (ski pass + ski lessons + equipment) and was designed for adult beginners. Flexible and progressive: choice of a 6-consecutive-day package or a 3-day package. It also includes tailored tuition and a special learners' ski area (with beginner-only pistes), where beginners don't stay for long!

SKI LIFTS FOR PEDESTRIANS

In Châtel, some of the ski lifts are open to pedestrians.

Tickets for pedestrians are on sale at the ski lift ticket offices and can be used on 4 lifts: the Petit-Châtel and Pierre-Longue chairlifts, the Super-Châtel and Linga gondola lifts.

THREE RESORTS, ONE NORDIC SKI AREA

ABONDANCE, LA CHAPELLE D'ABONDANCE AND CHÂTEL HAVE JOINED FORCES TO OFFER YOU A SINGLE 40 KM-LONG NORDIC SKI AREA BY THE SIDE OF THE RIVER DRANSE.

The Val d'Abondance nordic ski area offers 7 cross-country skiing trails, 8 nordic trails (for cross-country skiing, winter walking and snowshoeing), one beginners' trail, a fun activity area and a biathlon shooting range.

In Châtel, 4 ski lifts are accessible to pedestrians and snowshoers, providing easy access to several waymarked and safe nordic trails: the Petit-Châtel Loop, the Super-Châtel Loop and the Col de Bassachaux.

NEW-FOUND INDEPENDENCE

Facilities and accessibility for disabled skiers

When it comes to the skiing, skiers with disabilities and mobility-impaired and elderly skiers are looked after by well trained and suitably equipped enthusiastic professionals.

With equipment such as the Dualski*, Uniski*, Kartski* and Tandemski*, guests can enjoy the pleasures of snow and the mountains and experience the unique thrill of skiing sitting down in the safe hands of a professional.

With the Taxiski, holidaymakers can head for the peaks for a great view of Lake Geneva, or can be taken up to the ridge for an amazing vista of the Mont-Blanc range. Everyone can share in the thrill!

THE FANTASTICABLE WINTER EXPERIENCE

At the top of the Rochassons chairlift, participants in this amazing adventure take off their ski equipment, strap in and zoom off on cable No. 1, 'flying' over the village of Plaine-Dranse 140 metres up in the air!

You speed along this giant zip wire (1,200 metres of cable) at speeds approaching 100 km/h! Thrills guaranteed!

At the finish, your ski equipment is returned to you (it arrives there the same way you do, in a special bag).

PER FLIGHT:

€25*

*Activity subject to terms and conditions and accessible only to people equipped with snowsports equipment (not including special devices such as snowscoot, ski bike, etc.).

RESORT TAX

In Châtel, visitor tax is levied on the number of nights booked, to reflect actual visitor numbers, as in more than 90% of winter sports and summer resorts.

Resort tax is collected directly from the holidaymaker by the accommodation provider, who repays this tax to the local council.

Resort tax is payable all year round, from 1 January to 31 December. The tax revenue is put back into the system on the basis of the dates in force. And don't forget: the tax revenue generated is spent on all the tourism-related initiatives.
