SKI LIFTS for pedestrians

The ski lifts in Châtel open in summer provide an effortless way to reach the peaks and starting points of walks...

From the village centre, the Super-Châtel gondola lift takes you up to an altitude of 1,650m. From there you can continue on the Morclan chairlift up to 1,970m and a breathtaking panorama... A viewing table there tells you the names of all of the peaks. The Morclan is also a paragliding take-off area...

From Pré-la-Joux, 6km from the village, the Pierre-Longue chairlift takes you directly to the village of Plaine-Dranse in the mountain pastures. From there you can continue your walk by taking the Rochassons chairlift, and you can even get to Avoriaz by using two other chairlifts...

With the Portes du Soleil Multi Pass, pedestrians can use all of the ski lifts operating in the summer in the Portes du Soleil. It is also possible to use the four lifts in Châtel (Super-Châtel gondola lift or Morclan, Pierre-Longue and Rochassons chairlift) when you buy just one return ticket.

Châtel's other heritage treasures

Come and see Villapeyron sawmill and the beautifully restored Chapelle de Trés-les-Pierres, in stunning surroundings! Pick up our heritage map and set off in search of our pretty oratories and architectural gems. Guided tours are also organised by the cultural department, exploring the village along the river and the history of Châtel through its bells. The illustrated books *Châtel, sur les pas des Pionniers* and *Notre-Dame-de-Plaine-Dranse* make fascinating reading too.

And don't forget: the tax revenue generated is spent on all the tourism-related initiatives.
