SUMMER SKI LIFTS

SKI LIFTS FOR PEDESTRIANS

The ski lifts in Châtel open in summer provide an effortless way to reach the peaks and starting points of walks...

From the village centre, the Super-Châtel gondola lift takes you up to an altitude of 1,650m. From there you can continue on the Morclan chairlift up to 1,970m and a breathtaking panorama... A viewing table there tells you the names of all of the peaks. The Morclan is also a paragliding take-off area...

CHABLAIS UNESCO GEOPARK

The Chablais is home to an official Unesco World Geopark.

Unesco's World Geoparks are areas home to geological landscapes and sites of worldwide importance. They are a guarantor of the area's natural and cultural heritage as part of a global concept designed to protect and educate using sustainable development methods.

The Chablais extends from the shore of Lake Geneva to the highest peaks in the Portes du Soleil, covering an area where man has long been present and where the history of the earth has been a major force in shaping the history of humanity. The traditional buildings, land use, mountain pasture farming tradition and the natural resources of the Évian and Thonon mineral waters are all examples of the close bonds between man and nature. Ask for your copy of the Geopark map at Châtel Tourisme.

THE RIVARI FUN TRAIL

This trail is all about learning while having fun

The Rivari Trail, named after Châtel's little mascot, is a fun walk that teaches children about the mountain wildlife through six puzzles in little hands-on workshops along the way.

Along the 600m trail there are stopping points with wooden information boards. The trail is suitable for children aged 3 years and over. It's a great way of spending some fun time with the family. The trail is free.

PRODUCE TASTING ON THE FARM

Every week you can meet local farmers where they live or work, at their chalet or out in the meadows.

They will be delighted to welcome you to taste their home made produce, and will tell you stories about their daily lives too!

You can taste the famous Abondance cheese (A.O.C.), the delicious local charcuterie meats and bread and butter spread thickly with bilberry jam, all washed down with a glass of milk or a cup of coffee.

RESORT TAX

In Châtel, visitor tax is levied on the number of nights booked, to reflect actual visitor numbers, as in more than 90% of winter sports and summer resorts.

Resort tax is collected directly from the holidaymaker by the accommodation provider, who repays this tax to the local council.

Resort tax is payable all year round, from 1 January to 31 December. The tax revenue is put back into the system on the basis of the dates in force. And don't forget: the tax revenue generated is spent on all the tourism-related initiatives.
